A new, completely redesigned edition

Our Virtual Learning Lab course 2.0, co-created with our trainers, comes with **new, enticing topics that meet the needs of every participant** - from beginners to more experienced attendees. The new curriculum guides you through **key components of Living Labs** and equips you with knowledge and tools to **successfully run Living Labs in your community**. This is the perfect chance to broaden your knowledge, train the members of your group, and **grow as an organization** !

Get your certificate

At the end of the course you will have the possibility to get a **certificate of attendance** or a **certificate of competence**.

LEARN FROM THE BEST!

During our **8-week course**, you will get:

SENIOR EXPERTS FROM THE ENOLL COMMUNITY

who will help you gain practical knowledge about how to successfully set up a Living Lab

TAILORED HANDS-ON ACTIVITIES

to put theory into practice

A NETWORK OF PEERS

Together, you will work in small groups on assignments to benefit from peer-to-peer learning

Individual and group registrations are possible.

We recommend joining the course as a team to ensure alignment and successful implementation of Living Lab activities.

If you have any questions, please do not hesitate to contact us at the email address capacitybuilding@enoll.org
